

IRS SCAM ALERT

2 April 2018

Cheshire County as well as the Fitzwilliam Police Department is receiving calls directly from concerned Citizens of an IRS Scam where the caller identifies that he or she is with the IRS and if the citizen doesn't release certain information on their taxes owed or any other personal information, they will be arrested by local police. Know that this is a SCAM. Notify local police if you receive similar calls and DO NOT release any information. Know that the IRS would not take this type of action and you should NEVER release information unless you initiate the call yourselves and you know (the legitimacy of the Agency) exactly who you are speaking with.
